De gifhouten bijbel Sep 22 2019 Eind jaren vijftig trekt Nathan Price met zijn vrouw Orleanna en hun vier dochters naar een dorp in Congo om de bevolking tot het christendom te bekeren. De onderneming is van begin af aan gedoemd te mislukken. Het gezin is niet ingesteld op de harde, primitieve levensomstandigheden, en Nathans fanatisme en onbegrip voor zijn omgeving roepen gevaarlijke reacties over hen af. Als de kerk zijn handen van Nathan aftrekt en de onrust in Congo toeneemt, vlucht Orleanna met haar dochters door het oerwoud naar de bewoonde wereld. De gifhouten bijbel is een meeslepende familiegeschiedenis en een ontvullend verslag van de gruwelen van religieus fundamentalisme in een uitgebuit land tussen kolonialisme en onafhankelijkheid. Alles wat is Jul 01 2020 Na de Tweede Wereldoorlog keert marinier Philip Bowman terug naar Amerika, waar hij al snel als redacteur aan de slag gaat. In die periode was de uitgeverwereld nog kleinschalig een tijd van bijeenkomsten in chique appartementen en feestjes die stevast uit de hand liepen. Bowman dompelt zich onder in deze wereld van vluchtige intimiteiten en onverwachte veroveringen. Maar er is één verovering die hij vergeefs najaagt: die van de liefde. Eén huwelijk mislukt, een ander vindt nooit plaats en hij raakt in de ban van een vrouw die hem verraadt. Plotseling bevindt Bowman zich op een pad dat hij nooit verwacht had in te slaan. Alles wat is is geschreven in Salters kenmerkende poëtische stijl. Het is een meeslepend en verleidelijk liefdesverhaal over de passies en teleurstellingen die een man in zijn leven meemaakt.

Het paradijs verloren Apr 29 2020 Paradise Lost is het grootste, beste en beroemdste gedicht van John Milton. Toen hij dit in 'blank verse' (rijmloze verzen) geschreven epos maakte, was hij al enige tijd blind; hij dicteerde het aan zijn dochter. Een deel van de in de hele wereldliteratuur

onovertroffen klankschoonheid van het epos is misschien daaraan toe te schrijven. In het negende boek van Het paradijs verloren schrijft Milton: Mijn aard neigt er niet toe verslag te doen Van oorlog, tot dusver het enige thema Voor heldendichten: 't meesterstuk was om Taai, slepend moordbedrijf van fabuleuze Ridders te tonen in verdichte strijd. Milton wilde niet dichten over aardse strijd van helden en ridders, maar over opstand in de hemel, oorlog tussen God en Satan, elk met zijn legioen engelen, over het neerbliksemen van de gevallen engelen naar de hel en hun duivelse wraak op de nieuw geschapen mens in het paradijs: de verleiding van Adam en Eva en hun zondeval. Als de heidense godenwereld van Homerus en Vergilius al dichters had geïnspireerd tot werk van eeuwige roem, wat was er dan niet mogelijk met de grootse scheppingsmythe en de sublieme stof uit het Oude Testament? Miltons Paradise Lost verscheen in 1667 en werd op slag herkend als een meesterwerk. De laatste Nederlandse vertaling van dit epos dateert van honderddertig jaar geleden. Deze nieuwe vertaling van Peter Verstegen is de eerste die getrouw is aan inhoud én vorm. Een uitgebreid maar bondig commentaar biedt wetenswaardige achtergrondinformatie. Met alle prenten van Gustave Doré.

Visualization Analysis and Design Jan 19 2022 Learn How to Design Effective Visualization Systems Visualization Analysis and Design provides a systematic, comprehensive framework for thinking about visualization in terms of principles and design choices. The book features a unified approach encompassing information visualization techniques for abstract data, scientific visualization techniques for spatial data, and visual analytics techniques for interweaving data transformation and analysis with interactive visual exploration. It emphasizes the careful validation of effectiveness and the consideration of function before form. The book breaks down visualization design according to three questions: what data users need to see, why users need to carry out their tasks, and how the visual representations proposed can be constructed and manipulated. It walks readers through the use of space and color to visually encode data in a view, the trade-offs between changing a single view and using multiple linked views, and the ways to reduce the amount of data shown in each view. The book concludes with six case studies analyzed in detail with the full framework. The book is suitable for a broad set of readers, from beginners to more experienced visualization designers. It does not assume any previous experience in programming, mathematics, human–computer interaction, or graphic design and can be used in an introductory visualization course at the graduate or undergraduate level.

Summary of All The Light We Cannot See May 23 2022 All The Light We Cannot See - A Comprehensive Summary Chapter 1: Werner and main characters meet for first time The priceless stone was said to make its possessor immortal, yet it reviles the possessor's cherished ones. Werner Pfennig lived in a battered shelter, in a dull mining town in Germany. Frau Elena, who managed the halfway house, was thoughtful. Werner had a close relationship with his little sister, Jutta, who longed for Paris. The pictures that she drew carried a resemblance between her imaginations and what lies beyond her reach. One day, Werner found a broken radio and repaired it for the halfway house. Werner and Jutta were entranced by a radio program about Science for kids. Before long, Werner's repairing skills became popular in the area. Werner received praises

for his work and was treated to cream cakes when he modified the mine boss' radio. He was then sent to a world-class Nazi school because of his mechanical competence. A furious Jutta warned her brother about the Nazis and their brutishness, yet the townspeople regarded him as a legend. At first, he accepted that he was a magnificent support for the Fatherland and Hitler's arrangement to purify the world. At the Schulpforta School, the educators were cruel, particularly with young men who can't stay aware of the physically and rationally sought preparation. Werner was singled out by his Science educator, Dr. Hauptmann, for his... To be continued... Here is a Preview of What You Will Get: ? A Full Book Summary ? An Analysis ? Fun quizzes ? Quiz Answers ?
