Digitale fotografie voor Dummies Aug 19 2019 Dit boek richt zich met name op de meer serieuze hobby-fotograaf. Het eerste deel laat zien wat er belangrijk is bij de keuze voor een veelzijdige camera, deel twee bespreekt de technieken voor het maken van de perfecte foto. Hierbij is aandacht voor digitale aspecten als pixels en bestandsformaten, maar meer nog voor de foto-techniek van alle tijden: het gebruik van f-stops, sluitertijden, belichting en scherptediepte en het maken van goede portret-, landschaps- en actie-foto's. Deel drie behandelt de computerkant: foto's digitaal archiveren, nabewerken, afdrukken of op het web publiceren. Het afsluitende deel van de tientallen geeft tips voor nog betere digitale foto's, informatiebronnen op internet en onderhoudstips voor de camera.

Sketch and Go: 5-Minute Fashion Illustration Oct 21 2019 From the suburbs to the subway, Sketch and Go: 5 Minute Fashion Illustration shows you how to capture fashion anywhere and everywhere. Fashion is fast and furious, and fashion illustrators need to work the same way to keep up with the latest trends. Part technique, part sketchbook, Sketch and Go: 5 Minute Fashion Illustration is ideal for beginners looking to learn tips and tricks for sketching fashion illustrations, both quickly and on the go. First, you'll learn basic fashion illustration skills and practical techniques for inspired "live fashion sketching". Once you've conquered the basics, you can sketch your own collection on the 500 pre-printed model templates. Featuring a variety of different poses, these templates allow you to get down to business and sketch your designs right away, without worrying about drawing models. The sketchpad pages are specially designed so that they can be photocopied without the templates, leaving just the fashion sketch! In need of inspiration? Don't worry! You'll also find an inspirational gallery of four-color illustrations from fashion designer and illustrator, Emily Brickel Edelson. So what are you waiting for? Get sketching!

SAEMAUL so far Mar 18 2022 This book, Saemaul so far, is a record of the holy works of those who have tried for the development of the country and the happiness of their descendants. President Park Jeonghee said in his handwritten manuscript,'I see many examples of one good village leader making one village raise up completely. The achievements they have accomplished should be documented and retained in later history. These people are the heroes of our farm village.' This book is the story of the villages' heroes. 이 책 새마을 지금까지는 나라 발전과 후손들의 행복을 위해 노력하신 분들의 거룩한 행적들을 기록한 것입니다. 박정희 대통령은 친필에서 '한 사람의 훌륭한 부락 지도자가 한 마을을 완전히 일어나도록 만든 예를 많이 보고 있다. 이들이 이룩한 업적을 기록에 남기고 후세 역사에 남겨야 한다. 이들이 바로 우리 농촌의 영웅이다'라고 적어 놓았습니다. 바로 이 책은 마을 영웅들의 이야기입니다. A certain historian once diagnosed that one of the reasons for causing war was because young children were hungry, and there was nothing to feed them. The Saemaul Undong was a war. It was a war that fought poverty to escape hunger. We have won the war. I have seen many success stories in order to pass these on this book. These success stories are the story of village heroes. As I read them, I even shed tears with red eyes. The current abundance is only thanks to our great ancestors who sweated blood day and night. It is a report that if the amount of food waste currently being thrown away per year is converted into food value, it will reach KRW 25 trillion and the processing cost alone will reach KRW 800 won. Please regain control of ourselves. Our country becomes like a neighboring country. The Philippines, which has been rich enough to build Jangchung Gymnasium in Korea for free, is unable to continue its rich national luck and falls into poverty again. Not long ago, it reminds us of our miners and nurses who left for Germany for employment abroad. There is a saying in our country saying that a frog cannot think of a tadpole day. We need to be upright. Wake up. 어느 역사 학자는 전쟁을 일으키는 이유 중 하나가 어린 아이들이 배고프다고 칭얼대도 먹일 것이 없기에 전쟁을 일으켰다고 진단한 바 있습니다. 새마을운동은 전쟁이었습니다. 배고픔에서 벗어나기 위해 가난과 싸운 전쟁이었습니다. 우리는 그 전쟁에서 승리를 거머쥐었습니다. 이 책에 옮겨놓기 위해 하고 많은 성공사례들을 들춰 보았습니다. 이들 성공사례들은 바로 마을 영웅들의 이야기입니다. 이 사례들을 읽으면서 눈시울을 퍽이나 붉혔습니다. 지금의 풍요는 오로지 밤낮없이 피땀 흘러 일한 우리의 위대한 선대들 덕분입니다. 현재 한 해 버려지는 음식물 쓰레기양을 식량 가치로 환산했을 경우 25조 원에 이르고 처리 비용만 해도 8천억 원에 이른다는 보고입니다. 제발 정신 좀 차려야 합니다. 자칫 이웃 나라꼴 됩니다.

우리나라에 장충체육관을 무상으로 건립해줄 정도로 풍요로웠던 필리핀은 그 풍요로운 국운을 이어가지 못하고 다시 가난 속으로 빠져버려 어린 딸들을 돈벌이 식모살이 해외 원정을 떠나보내고 있는 실정입니다. 얼마 전 우리의 독일 광부 및 간호사들의 해외 취업을 떠오르게 하고 있습니다. 우리 속담에 개구리가 올챙이 적 생각을 못한다는 말이 있습니다. 정신 똑바로 차려야 합니다. This book, 'Saemaul so far' is an overview of the progress of Saemaul Undong for half a century. We hope that this book will help villagers, development officials and growing generations of countries around the world who are struggling to escape poverty. It was edited and written in a development manual format to help them induce and share the experience of Saemaul Undong into their own country's development. At the same time, some of the major Policy Docs(presidential approval documents) produced during the Saemaul Undong development process were cited to refer to their country's policy making. USA President Barack Obama said Korea is a role model for other developing countries to learn from. In other words, I have tried to make this book like a manual that sets a model country. 이 책 새마을 지금까지는 새마을운동의 반세기 동안의 전개 과정을 개론적으로 기록한 것입니다. 이 책이 부디 가난에서 벗어나기 위해 애쓰고 있을 지구촌 어느 나라의 마을 주민, 개발 공무원, 자라나는 세대들에게 도움이 되기를 소망합니다. 새마을운동의 성공 경험을 자기 나라 발전에 접목시키는데 도움이 되게끔 개발 매뉴얼 형식으로 편집해서 썼습니다. 동시에 그들 나라의 정책 수립에도 참고하도록 새마을운동 전개 과정에서 생산된 주요 정책 문건들 중 일부를 영인(影印)하였습니다. 버락 오바마 미국 대통령은 한국은 개발도상국가들이 본 받아야 할 모범 국가라고 하였습니다. 다시 말해 이 책을 모범 국가 매뉴얼 성격의 책이 되도록 노력하였습니다.

Global Pro Bono Jun 09 2021 The principle and practice of pro bono, or volunteer legal services for poor and other marginalized groups, is an increasingly important feature of civil justice systems around the world. Recent surveys have identified pro bono initiatives in more than eighty countries—including Colombia, Portugal, Nigeria, and Singapore—and the list keeps growing. Covering the spread of pro bono in across five continents, this book provides a unique comparative dataset permitting the first-ever analysis of pro bono's growing role in access to justice globally. The contributors are leading experts from around the world, whose chapters explore both the internal roots of and global influences on pro bono in transnational context. Global Pro Bono explores the dramatically expanding geographical and political reach of pro bono: documenting its essential contribution to bringing more justice to those on the margins, while underscoring its complex and contested meaning in different parts of the world.

Immersive Journalism as Storytelling Jul 22 2022 This book sets out cutting-edge new research and examines future prospects on 360-degree video, virtual reality (VR), and augmented reality (AR) in journalism, analyzing and discussing virtual world experiments from a range of perspectives. Featuring contributions from a diverse range of scholars, Immersive Journalism as Storytelling highlights both the opportunities and the challenges presented by this form of storytelling. The book discusses how immersive journalism has the potential to reach new audiences, change the way stories are told, and provide more interactivity within the news industry. Aside from generating deeper emotional reactions and global perspectives, the book demonstrates how it can also diversify and upskill the news industry. Further contributions address the challenges, examining how immersive storytelling calls for reassessing issues of journalism ethics and truthfulness, transparency, privacy, manipulation, and surveillance, and questioning what it means to cover reality when a story is told in virtual reality. Chapters are grounded in empirical data such as content analyses and expert interviews, alongside insightful case studies that discuss Euronews, Nonny de la Peña’s Project Syria, and The New York Times’ NYTVR application. This book is written for journalism teachers, educators, and students, as well as scholars, politicians, lawmakers, and citizens with an interest in emerging technologies for media practice.

Beyond Reality Nov 14 2021 The current price of virtual reality headsets may seem out of economic reach for most libraries, but the potential of “assisted reality” tools goes well beyond merely inviting patrons to strap on a pair of goggles. Ranging from enhanced training to using third-party apps to enrich digital collections, there is a kaleidoscope of library uses for augmented, virtual, or mixed reality. In this collection, Varnum and his hand-picked team of contributors share exciting, surprising, and inspiring case studies from a mix of institution types, spotlighting such topics as collaborative virtual reality for improved library instruction, education, and learning and teaching; 3D modeling using virtual reality; virtual reality as collaboration space, from gaming to teleconferencing; balancing access with security, and other privacy issues; future possibilities for augmented reality in public libraries; and augmented reality for museums and

special collection libraries. A perfect introduction to the topic, this book will encourage libraries to look beyond their own reality and adapt the ideas inside.

***Immersive Sound Production* Jul 10 2021 Immersive Sound Production is a handbook for the successful implementation of immersive sound for live sports and entertainment. This book presents thorough explanations of production practices and possibilities and takes the reader through the essentials of immersive sound capture and creation with real world examples of microphones, mixing and mastering practices.
