**The Rough Guide to Slovenia Jan 16 2022** The brand-new Rough Guide to Slovenia is the definitive handbook to one of Europe's smallest, yet most beguiling nations. The northernmost republic of the former Yugoslavia, straddles central Europe and the Balkans, and is said to be the greenest country on the continent. There's a wealth of things to see and do. The guide covers the country in all the detail it deserves, with as much attention to the capital Ljubljana's youthful culture and Baroque and Hapsburg architecture as to the stunning cave network at Postojna, the wilds of the Julian Alps and the charms of the Istrian coastline. There are maps and plans throughout and a full-colour introductory section listing the author's favourite "things not to miss". The contexts section includes informed background on Slovenian history, folklore, music and wildlife.

**Heer van de vliegen Mar 26 2020 Nog altijd even opwindend en tot nadenken stemmend als toen het in 1954 verscheen, schiept 'Heer van de vliegen' een gewelddadig, treffend beeld van de menselijke natuur, en wat er met deze gebeurt als de beschaving ten onder gaat. Een groep schooljongens stort neer op een onbewoond eiland. Zonder ouders of ander volwassen toezicht moeten ze met elkaar samenwerken om te overleven, waar ze jammerlijk in falen. Hun strijd om het bestaan krijgt geleidelijk steeds meer barbaarse trekken. Heer van de vliegen werd bij verschijning met lof overloden, maar commercieel succes bleef in eerste instantie uit. Geleidelijk aan werd het echter een cult-favoriet onder studenten en critici, en werd het vaak vergeleken met Salingers De vanger in het graan wat betreft invloed op de moderne literatuur.**

**12 regels voor het leven Apr 19 2022 Wat moet iedereen in de moderne wereld weten? Om antwoord te geven op deze moeilijkste vraag der vragen combineert de gerenommeerde psycholoog Jordan B. Peterson de zwaarbevochten waarheden van oude tradities met verbluffende ontdekkingen van grensverleggend wetenschappelijk onderzoek. Op humoristische, verrassende en informatieve wijze vertelt Jordan Peterson ons waarom kinderen die aan het skateboarden zijn met rust gelaten moeten worden, welk verschrikkelijk noodlot mensen die te snel oordelen te wachten staat, en waarom je altijd een kat moet aaien als je er een tegenkomt. Peterson legt grote verbanden en distilleert daarbij uit alle kennis van de wereld 12 praktische en fundamentele leefregels. In 12 regels voor het leven maakt Jordan Peterson korte metten met de moderne clichés van wetenschap, geloof en de menselijke natuur, en tegelijkertijd transformeert en verrijkt hij de denkwijze van zijn lezers. Dr. Jordan B. Peterson (1962) is psycholoog, cultuurcriticus en hoogleraar psychologie aan de Universiteit van Toronto. Zijn wetenschappelijke artikelen hebben de moderne kijk op persoonlijkheid en creativiteit voorgoed veranderd. Peterson heeft**

**12th Grade - English Workbook Dec 15 2021 12th Grade English - Classical Education put the use of language and the ability to dissect and formulate ideas in writing, verbal, and presentations as our long-term goal. The highest form of communication travels to logic and then rhetoric. The Ethos Logos English curriculum starts in kindergarten with 12th grade mastery of rhetoric in mind. Language defines culture which is essential in understanding oneself (personal identity), forming interpersonal relationships (socialization), extending experiences, and reflecting on thought and action. Each grade focuses on 5 to 9 classical works of literature. These grade appropriate selections have withstood the test of time because of their deep messages and text complexity. This workbook is part of the One Million and One Question Project which is full of resources to complement the Ethos Logos education program. The workbook accompanies the grade level English lesson cards and is part of an ongoing series aimed at simplifying the Classical Education model for to Kinder to 12th grade. The workbook stands on its own as a learning tool or aligns with the history program of instruction outlined by scope and sequence. This workbook is designed to be used by classroom teachers and homeschool families.**

The chapters by researchers, teacher researchers, teacher educators, and teachers are antidotes to the present political context in which political agendas**

**are being used to define literacy, literacy teaching and learning, and literacy research in narrow ways. Providing a rich source of information about how young children come to know reading and writing as a tool of communication in a range of social and cultural contexts, this book: \*presents current research and thinking in the field; \*documents research that is currently being ignored by many who make decisions about children's learning; \*values who children are and what they bring with them to school; \*provides a useful tool for advocacy and for social action toward improving education in ways that can make a difference in the lives of young children; and \*raises thoughtful issues for discussion. Critical Issues in Early Literacy is essential reading for early childhood teachers and prospective teachers, for teacher educators, for literacy researchers (including teacher researchers), for special educators, for those working with English-language and foreign-language learners, and for early childhood education administrators, advocates, and policy makers.**

**The Ambit of English/Arabic Translation. A Practical and Theoretical Guide for English/Arabic Translators Jan 04 2021 Libraries in the Arab world only have few books on translation that may instigate the thinking of students and even expert translators. A book of this kind may act as a guide to adopt a practical approach to translation in terms of problems and solutions. Therefore, the book carries out the important and crucial task to prepare and provide students, researchers and translators with a book which deals with the translation of many different kind of English and Arabic texts. The layout of the material in this book is an outcome of the author's interest in translation which originates from his time as a student at Sudan University of Science of Technology. His long experience as a teacher and a translator and recently as an assistant professor of English language and literature has enriched his thinking, sharpened his pen and provided him with chances to have further insight in the field of translation. Teachers of translators can use this book for lessons on theory or translation applications. The practice texts provide vehicles for assignments and homework. The texts can be translated into English and vice versa and can be compared with the other versions then. Last but not least, this book is a way into the fascinating world of linguistics and translation.**
